SAFETY BULLETIN

NO ALCOHOL OR DRUGS AT THE WORKPLACE

Being under the influence of alcohol or drugs while at the workplace, Despatch Hall or other Industry facilities (including parking lots) is forbidden.

Being under the influence (or even possession) of alcohol or drugs is subject to discipline. This can range from a 15-day suspension to dismissal from the Industry.

Another outcome can be injury to either yourself or a coworker.

- Weekly Indemnity is not payable for disabilities that arise from substance abuse.
- WorkSafeBC wage loss benefits are not payable where the injury is attributable solely to the serious and willful misconduct of the worker.

Brothers and Sisters....be aware of the Industry policy – be considerate of co-workers, protect your livelihood and GO HOME SAFE.
