SQUAMISH COMPLEMENT ROTATION

All Union Members and Vancouver “A” Board Casuals in the Complement will have **annual** rotation dates.

All casuals below the Vancouver “A” Board will be available for rotation on the **first Thursday of every month**. These rotations will not be posted under the glass in the office with the other rotations.

Squamish “A” Board will have **preference** for rotation **after** Union Members. The Squamish “A” Board is now posted next to the Complement rotation list.

If a senior worker applies, the worker with the **lowest seniority in that category** will be rotated.

If the worker who has been rotated is senior to another worker in a **different category** they will immediately rotate the junior person in the **Hold Category**. If they have less seniority than all others in the Hold Category, they will be placed on the Squamish “A” Board.

Mark Gordienko, Chair
Membership & Grievance Committee
